### **Read and answer**

My favorite restaurant is called "The Olive Tree". They serve delicious Mediterranean food, and the atmosphere is cozy and welcoming. When you arrive, the host will greet you and ask how many people are in your party. Then, they will show you to your table.

Once you are seated, a server will bring you the menu. The menu has lots of choices, including appetizers, entrees, and desserts. Some popular dishes are bangers and mash, mac and cheese and fish and chips. They also have a variety of vegetarian options.

When you have decided what to order, signal to your server. They will take your order and bring your food when it's ready. If you need anything else, like extra napkins or a glass of water, just ask your server.

After you finish your meal, you can ask for the bill. The server will bring it to you, and you can pay with cash or a credit card. Don't forget to leave a tip for good service!
